The International 4 predictions

- >be at the international
- >1 hour until na'vi vs c9 starts
- >key arena in complete picnic mode, everyone rushing around to get ready for the first bo3 of the day
- >suddenly team liquid and reddit thread about newbee switching lineups
- >newbee is replacing their team with alliance, putting that lineup in the finals of TI
- > valve is completely okay with replacing entire lineups
- >na'vi hear the news
- >dendi in tears, puppey crying in a corner. xbox speaks:
  - >"we must kill the rats, we must redeem ourselves"
- >entire team is inspired by xbox's speech
- >dondi signs 10 girl's breasts and they go to play vs c9
- >before the enter the booth, admirabledog yells for them
- >he growls at them and barks
- >na'vi clearly intimidated
- >beats c9 2-0
- >beats vici 2-0
- >beats dk 2-0
- >annihilates eg 2-0, angering alliance
- >its the finals, na'vi vs alliance
  - > admirabledog howls at the moon and drink rat blood
- >suddenly, power goes out, big update on steam
- >techies
- >alliance vs na'vi goes into game 5
- >na'vi goes with pudge, io, techies, invoker, and new lina with updated 1200 range
- >fountain hooking allowed again
- > somehow na'vi wins 22-0
- >amidst the cheering, crows notices gabe on stage in miley cyrus wrecking ball garb, he is crying tears of joy
- >gabe runs to dendi and hugs him
- >erik johnson runs up to gabe and proposes to him on stage
- >suddenly big screen flashes, half life 3 confirmed
- >he screams with tears puring down his faces, "i hope it was worth the weight"
- >"glory to arstotzka"
- >dendi wakes up, it is the morning of their first bo3
- >dendi in tears
  - >"I dreamt we win TI, was all big dream" as he cries to himself completely depressed
  - >xbox wraps arm around him because whole team sleeps in 1 twin bed
  - >"perhaps not my little dondo"
  - >"but it was our dream"
